BROOK LEMMA
SOFTWARE ENGINEER

About Me

Web Developer with years of experience in designing and developing user interfaces, testing, debugging, and training staff within eCommerce technologies. Proven ability in optimizing web functionality that improve data retrieval and workflow efficiencies.

Experience

Web Developer

Freelancing
(2020-2024)

- Revamped web application security applications, minimizing hacker attacks from 2.3% to 0.02%
- Designed and developed user-friendly website, including optimized check-out page that increased user clicks, and subsequently customer purchases by 20%
- Fixed bugs from existing websites and implemented enhancements that significantly improved web functionality and speed

Webs deployed

I've made so many templates

- Have worked with over 15 team members and staff members in internal and national web functions.
- Made different types of web apps and mobile applications
